

WSWPLA Championship Raffle 2018

We are again having our **Championship RAFFLE** to be held at the Allenmore Golf Club during the 3 day WSWPLA Championship (July 16-18).

To make this a GREAT success we're asking for as many clubs as possible to donate a raffle item. Proceeds will be used to help support WSWPLA general fund. Ideas could include a basket full of goodies, rounds of golf at your club – or anything that strikes your fancy! The more the merrier and the greater the success! Please chat with your club trustee regarding organizing a raffle item to donate. The raffle item should be worth at least \$50. Label the item with your club name. If it is a basket include a list of its contents. Please bring the raffle item to the registration area the first day of the tournament before the **12:00 tee time**. Tickets will be sold throughout the tournament - write your name on each ticket and place the ticket in the bag attached to each prize you choose. The raffle items will be drawn on the last day of the championship. You must be present to win or have someone available to bring home your prize.

Your support is appreciated!
